

March 12, 2010

Honorable Kevin Huennekens,

My name is Thomas Bradley. I was an employee at Circuit City. I have Administrative Claims filed against Circuit City. I have included information with the details of my claim. There was a hearing on March 8th 2010 regarding my claim as well as others. It has come to my attention that I was supposed to attend this hearing. I apologize for not attending. I do not have an attorney and to be honest, I have received so many documents regarding the case; I am not sure if or when I should be attending these hearings. Regardless, I know it was my responsibility to be there. It is my intention to continue to oppose the relief sought by Circuit City if the court will allow. I will make it a point to attend any hearing that involves this case.

Your Honor, when Circuit City liquidated, I stayed on and was part of the Liquidation team representing the Firedog division. I have earned the "Long Term Incentive Award". I do not want to lose it because of my lack of knowledge of the legal process. Once again, I apologize for not attending the hearing. I am hoping that you will give me another opportunity to represent myself in this case. Thank you for considering my request.

Thank you,

A handwritten signature in black ink, appearing to read "Thomas C. Bradley".
